Dear SERR Client

At SERR Synergy we recognise the importance of adult education and the fact that it is indispensable in the economic and skills development revolution of our country. Keeping abreast of industry trends while remaining competitive is therefore fundamental in bridging gaps between an organisation's current realities, their skills shortages and employees' career aspirations.

In conjunction with our preferred training providers, we wish to design tailor-made learning solutions to meet your specific industry needs and skills development challenges. We therefore need your input and direction with regard to our SAQA-accredited learnerships and accredited training programmes. To assist in addressing your company's skills needs, kindly indicate your preferences by ticking (✓) your preferred learnerships and skills programmes on the attached schedules and return to one of the undermentioned e-mail addresses. If you have training and development needs that are not addressed in the attached survey, please indicate on a separate page and return by e-mail.

Should you require any further information, you are welcome to contact our offices on 012 807 0682 or e-mail Anita at [anita@serr.co.za](mailto:anita@serr.co.za) or Natasha at [trainingassist@serr.co.za](mailto:trainingassist@serr.co.za)

Kind regards

**GA GERBER**
